Restaurant for sale that has been active for 30 years with a client portfolio and a consolidated name in the area that closes for retirement. This 900m restaurant with different areas separated by mobile panels, giving you the option to have the whole diaphanous restaurant and attend events such as weddings and other events, In addition, it has the great advantage of paneling in which you can close certain areas to make it smaller when there is not a lot of clientele, or open some parts or all, depending on the

**€ 1,400,000**
